

Onward

# Hattersley & Mottram Garden Competition 2020.

Have you been making some gardening improvements or recently taken up gardening as a hobby? Are you proud of your garden or those in your street and want to show them off?

Take part in this year's community garden competition.

## Awards up for grabs include:

**Community Award:** The most improved front garden and most improved street (before and after pictures required)

**Bee-Friendly Award:** A British Wildlife award for those gardens that create a natural habitat for our birds, bees and other animals

**Plant Pot Award:** Remember you don't need a big garden to get involved! Here we will be looking at planters, hanging baskets and unusual containers.

**Green Shoots Award:** For any young gardeners under 16 to show off their green fingers!

**To enter:** Send us your photos (x6 maximum) to: [Samantha.powers@onward.co.uk](mailto:Samantha.powers@onward.co.uk)

With the subject line: Garden Competition

Please include your full name and address, contact details and the category you are entering with a short summary about you, what you have enjoyed most about working in your garden and why you think it is important to improve green spaces.

Closing date for entries: 5pm 14 August 2020
