2nd March 2021

Dear Parents and Carers,

As you are all aware school will be reopening on Monday 8th March and I know that many of you will be wanting to make plans for your own jobs so I am sharing the provisional plans with you. I have governors meetings and Public Health briefings later in the week, so it is still a provisional plan, but we are intending to return to the staggered start/collection that we had before the lockdown. The virus has not gone away so all the precautions that we took before lockdown will still be in place (staggered starts, children in bubbles, periods of isolation if anyone in the bubble tests positive, hand sanitising, lunches in disposable wrappers etc.). I will send reminders of all this later in the week.

Breakfast Club will be open at one admission time of 8.15am. This will only be for the children of Key Workers on the days that they have absolutely no other childcare options and needs to be booked in advance on the care@st-james-hyde.tameside.sch.uk email. Parents sending their children to Breakfast Club need to be aware that their children will be in two bubbles (Breakfast Club and their Class Bubble) and will be called upon to isolate if anyone tests positive in either bubble.

The normal school day will be as it was before the last lockdown

I assure you as always that our staff will continue to do all in their power to minimise the risks to your children, can I ask that you all follow the guidance out of school to minimise the risk to our school staff too.

Thank you,
