**\*\*Important \*\***- Even though the government has lifted all restrictions the Catholic Bishops of England and Wales have stated that the following be continued as a duty of care for our Priest, Deacon, stewards and parishioners; Please continue to wear face masks inside, sanitise on entry and exit, members of one household can sit together, social distance when moving around the church and ring Pat/Peter on 0161 303 1735 for your place at Mass (our parish Track and Trace system). You can also scan the NHS QR Code which is available inside the porch. Thank you for your continued support.

**Readers and Eucharistic Ministers** - As our focus is now on the gradual return of the Sunday Masses to something like they were pre-pandemic, we are asking our Readers and Eucharistic Ministers if they would be interested of being placed on a new rota to be brought into operation over the next month. Please contact Michelle in the office to say if you are available or not.

**Foundation Governor Vacancies** - our Catholic Schools are a vital part of our parish communities, and by law diocesan schools have governing bodies made up of various categories of governors - the majority of which are Foundation Governors. Foundation Governors are practising Catholics who are appointed by the Bishop to help support him in ensuring the 'Catholicity', of a school amid all the other objectives that are required by law. If you feel able to offer your services please contact Sue Blackwell, Governance Support Officer for the Diocese, via [sue.blackwell@dioceseofshrewsbury.org](mailto:sue.blackwell@dioceseofshrewsbury.org) or telephone 0151 652 9855. The required forms can be downloaded from the diocesan website [www.dioceseofshrewsbury.org](http://www.dioceseofshrewsbury.org). Click on main Education heading and then Foundation Governors from the dropdowns.

**Universe Catholic Weekly** - the Catholic Universe Newspaper has been replaced by an online subscription digital publication under a new name, The Universe Catholic Weekly. This means that each week we can deliver a publication full of news and features directly to you desktop, tablet, laptop or smartphone.
