

Psalm 104

God our Father,

You made the great mountains and the sea,

You made the rivers and the trees,

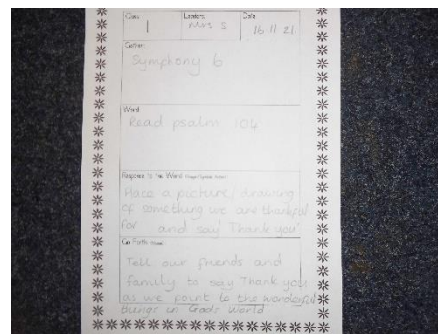

You made the animals, birds and fish,

You made the sun, moon and stars,

You made the rain and the wind,

You made the frost and the snow

We thank you for your wonderful world

We planned our first prayer and liturgy. We placed fabric to represent the land, water and sky around the globe. We listened to Beethoven's Pastoral Symphony 6 as we gathered. We closed our eyes to visualise the beautiful world God has given us. We listened to the word of God through the bible story 'The Beginning' and placed a picture we had drawn of things we would like to say thank you to God for. Saying 'Thank you God for the beautiful'. We decided that our mission would be to go home and share with our families what we think is beautiful in Gods world.
