Class 4 Information

Homework

For homework next half term, we would like the children to complete a project based on our Geography topic of What's it like in Hattersley? During this topic, we are going to be looking at the landscapes from the past and the present and how Hattersley has changed. We would like the children to complete different parts of this homework on a weekly basis so that they are building up a larger project.

Please return the project no later than Monday 12th December 2022.

Reading at home

We are encouraging the children to read every night at home and ask that you please sign their diaries to let us know that they have read and how they are getting on. It is essential that your child is reading at home every night and that their diary has been signed by an adult.

Spellings

Your child's spellings will be put on Spelling Shed on a weekly basis. It is essential that the children complete at least 5 games on Spelling Shed each night throughout the week. They will be tested on a Thursday.

Times Tables

I have set the children a challenge each week on TT Rockstars to complete at least 25 minutes practicing their times tables. The children will be taking times tables tests each week this half term on a Thursday.

If you have any queries or questions about the homework, spellings or times tables please do not hesitate to come and see me in school.

Thank you
